

Accessible, Adaptable and Respectful

It's no doubt we've all been on a unique journey since March. Hopefully, we've all learned something along the way too. Each of our different personal situations has affected how we've experienced this time of stay-at-home, social distancing, and adapting to all phases of life during a global pandemic. With that, we will adapt to our own way of resuming "normal" life, whatever that means!

At Croghan, that means Accessible, Adaptable & Respectful; accessible to our customers, adapting our facilities and services to meet our customers' needs all while being respectful to the health and safety of our customers and employees.

With that in mind, effective June 8th we opened branch lobbies at our Fremont North, Oak Harbor and Bellevue offices from 10am to 1pm Monday through Friday.

Beginning June 15th our Port Clinton Catawba, Tiffin Westgate and Oregon branch lobbies will open from 10am to 1pm Monday through Friday.

Regardless of our lobby hours, this news does not create any change in our accessibility to you. We are always available by phone, email, or appointment and our Drive-Thrus continue to remain open...just as we have been throughout the pandemic.

Contact your local Croghan banker for any questions you might have.
